Assessment Creation for Embedded C++.

★★★★★ 5.00 Jun 2019 - Jul 2019

Abdo is one of the most talented programmers I have ever meet in Upwork. His communication was top-notch, he met all deadlines, his skills were very strong and super fast on any task was given to him. Perfect work is done. Would re-hire and highly recommended!!

I need help in creating codes with Python for Data analytics

★★★★★ 4.55 Apr 2019 - May 2019

He is very smart and has good knowledge.

Computer architecture with excellent English language and creative writing

★★★★★ 5.00 Apr 2019
